Subject: **ANNUAL PROCUREMENT PLAN UPLOADING ON PPRA WEBSITE**

PPRA has been frequently approached by the public sector organizations with the excuses of non uploading of annual procurement plan. Either some procuring agencies have uploaded their plan in wrong section of web site or some have given reason of non-availability of budget. Therefore, in order to facilitate all procuring agencies a dispensation is being allowed upto 15-10-2019 for uploading the procurement plan on PPRA site as is required under rule 8 of the PPRA Rules-2014, failing which the procuring agency plan will not be accepted by the system which is being modified for the time being as a one time dispensation.

It is to be noted that in future no such dispensation will be given, for equity aid, the vigilant and not the indolent. So, procuring agencies are advised to upload their plan within time prescribed to comply legal requirement of Rule 8 of PPRA Rule 2014.
