Subject: **ANNUAL PROCUREMENT PLAN UPLOADING ON PPRA WEBSITE.**

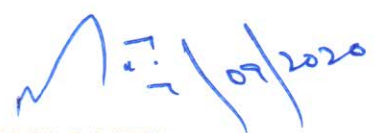

PPRA has been frequently approached by the public sector organizations for uploading their procurement plan which could not be accomplished. Since, the approval of the budget has involved two stages, therefore, in order to facilitate all procuring agencies a dispensation was given to all Procuring Agencies through this office letter No. L&M (PPRA)10-1/2011/kw dated 30 July, 2020 for uploading the procurement plan on PPRA site with cutoff date 14.08.2020.

Recently a number of Procuring Agencies have once again approached PPRA with the excuses of non uploading of Annual Procurement Plan despite of

aforementioned dispensation. Some Procuring Agencies have uploaded their plan in wrong section of web site and others have given reason of non-availability of budget etc.

PPRA, in order to facilitate all, is extending the Annual Procurement Plan uploading upto 30-09-2020. All that have not uploaded their Annual Procurement Plan yet may avail this dispensation, failing which the procuring agency plan will not be accepted by the system which is being modified for the time being as per latest cutoff date.

It is to be noted that in future no such dispensation will be given, for equity aids the vigilant and not the indolent. Since in terms of Rule 8 & 9 of PPRA Rules 2014, all procurements are to be made in accordance with the procurement plan and in terms of Rule 69 of rules ibid any violation of PPRA Rules is treated as mis procurement hence it is requested that compliance of PPRA rules (8&9) may please vigilantly be accomplished to avoid any legal repercussion or evasion of respective law. Govt. powers must be exercised within the constraint of rules whatever they may be, must be uniformly applied (PLD 2009 SC 879).
