Subject: MISUSING THE FACILITY OF LOGIN/ACCOUNT BY UPLOADING ADVERTISEMENTS OF OTHER PROCURING AGENCIES ON PPRA WEBSITE

Kindly refer to the subject cited above.

2. PPRA has developed its sui generis portal to monitor the procurement process and to facilitate the procuring agencies for uploading information concerning the procurement process under taken by the procuring agencies, on PPRA website at their own level. Login accounts have been provided to procuring agencies for uploading their Annual Procurement Plan, Procurement Advertisements, Approval Mechanism and Evaluation Report etc. on PPRA website. During the monitoring it has been observed that a number of procuring agencies have uploaded procurement advertisements / documents which are not relevant to the account holder procuring agency. Uploading advertisements and any other document not related to procuring agency office is a misuse of facility and being summun injuria cannot be permitted as it disrupts the PPRA efforts to maintain record of procurement intensive data.

3. PPRA is striving to facilitate the procuring agencies but not at the cost of its system sanctity. Therefore, it is requested to pass on instruction to all downstream organizations under your administrative control to avoid these kinds of practices in future and if any organization has not availed PPRA login credentials, it can obtain from PPRA office by filling the attached proforma. PPRA has already issued a circular in this regard (copy enclosed).

4. The above mentioned instructions are expected to be followed in true letter and spirit.
